1.1. Our role

1.1.1. We are responsible for the operation and administration of the Vanguard Personal Pension and the safekeeping and administration of the Vanguard Funds which you acquire in your Product through us.

1.1.2. In all of our dealings with you we will comply with:

1.1.2.1. these Terms;

1.1.2.2. Applicable Regulations; and

1.1.2.3. in the case of your Vanguard Personal Pension, the Scheme Rules which will prevail in the event of any conflict with these Terms.

1.1.3. These Terms include, at Appendix 2, a summary of our Order Execution Policy, which describes how we get the best possible results when dealing on your behalf (including placing orders to buy and sell Shares in ETFs through Winterflood Business Services). We will publish details annually of our execution results and the principal broker(s) upon which we rely. You have the right to ask us for further information about how we achieve best execution on your behalf.

1.1.4. Our Conflicts of Interest Policy sets out the types of actual or potential conflicts of interest which affect our business and provides details of how these are identified and managed or prevented. A summary of our current policy is set out in Appendix 3. You have the right to ask us for further information regarding our Conflicts of Interest Policy.

1.1.5. The FCA Rules require us to classify all investors. The Vanguard personal investor service is provided by us to "retail clients". Unless we tell you otherwise, we will treat you as a retail client under the FCA Rules. This means you get the highest level of protection available under the FCA Rules.

1.1.6. Our service enables you to invest in Vanguard Funds on a self-managed basis where we do not provide any personalised advice (including investment, financial or tax advice), and, therefore, we are not required to assess the suitability or appropriateness for you of:

- the Vanguard Funds that you choose, that we may hold for you;

- the Product(s) that you choose; or
- the other services we provide to you.

This means that you do not benefit from the protection of the Applicable Regulations on assessing suitability. If you are in any doubt about the suitability or appropriateness of any particular Vanguard Fund, we recommend that you speak with an authorised adviser.

1.1.7. We may delegate our functions to third parties, including appointing a Nominee to hold Shares in your ISA or General Account or in accordance with the Trust Deed in respect of your Vanguard Personal Pension. We will be responsible for the actions and omissions of any person to whom a function is delegated. We may also engage agents to help us perform our functions.

1.2. Communications

1.2.1. Our service is exclusively an online service for which you will need to complete an Application including Declarations. If you do so we will send documents to your secure online mailbox. We will not generally communicate with you by post. All of our documents and communications with you will be in English. You agree to receive copies of our up to date policy summaries (including summaries of our Conflicts of Interest Policy and Order Execution Policy) via our website at www.vanguardinvestor.co.uk and to access your Account at least once a quarter for the purpose of viewing the statements and other information which we provide to you.

1.2.2. If we do communicate with you by post we will write to you at the last address you gave us. If communications we send to you are returned to us, we may put restrictions on your Account with respect to investment dealings and stop making Withdrawal payments out to you for reasons of security.

1.2.3. You can communicate with us securely by registering for and using our online services at www.vanguardinvestor.co.uk. We will rely on any communication which we reasonably believe to have been made by you and may ask you to confirm some information in writing. Your Account may be restricted if your residency or tax status change. This means that you may not be able to make new investments, and that we will only provide administrative and record-keeping services in return for the applicable Charges. For your Pension Account this may continue until you become eligible to take Benefits from the Scheme. For an ISA or a General Account only, we may alternatively sell your Vanguard Funds and close your Account if you cease to be a UK resident.

1.3.3. Our Accounts and the Vanguard Funds are not available under these Terms to US persons. "US persons" include any citizen of the United States of America (US), any person holding a US passport (regardless of residency or domicile), and any person who has an obligation to pay tax to the US tax authorities on their worldwide income. If you are or you become a US person we may restrict investment dealing on your Vanguard Funds and the services we offer you and inform the relevant authorities. For an ISA or a General Account only, we may alternatively sell your Vanguard Funds and close your Account.

1.3.4. To open an Account you must complete an online Application. This can be done at www.vanguardinvestor.co.uk. As part of the Account opening process, you will be required to set up a unique user name and password, and provide certain other personal security details which you will use to access your Account including a unique email which will be linked to your user name and password. You must keep your security details secret. You must not disclose them to anyone or allow any other person to access your Account using your security details. We are not responsible for any loss that your Account may incur as a result of not having kept your security details and/or password secret.

1.3.5. We do not permit any individual person to have Accounts set up under multiple user names. Should we discover or have reason to believe that you have established multiple user names, we may require you to take action to move Accounts to a single user profile of your choosing and reserve the right to close any Accounts in accordance with Clause 5 where multiple user names associated to you persist.

1.3.6. The submission of your Application does not constitute our acceptance of your Account which we may decline entirely at our discretion. These Terms come into force when we accept your Application. This is normally on the Business Day we receive it.

1.3.7. Under applicable money laundering regulations, we are required to verify the identity of our investors, beneficial owners and anyone controlling or paying for Vanguard Funds (which for your Pension Account may include your employers' directors and Significant Shareholders where Contributions are made by your employer). We will carry out electronic searches on private and public databases, and use credit reference agencies which will record that an enquiry has been made. We may also need to ask you for further documentation as evidence.

1.3.8. The Vanguard Personal Pension can only accept payments from an employer in circumstances where:

(i) you are a Director of your own limited company;

(ii) that limited company is incorporated and domiciled in the UK; and

(iii) any Contributions are made directly from your company's bank account of which you are authorised to use.

- 1.3.9. Until we have verified your identity and, where appropriate, your company details, we will place restrictions on your Account, in respect of:
- 1.3.9.1. a Pension Account, we may prevent any payments of Benefits to you or refuse any Contributions or Transfers; or
 - 1.3.9.2. an ISA or General Account, we may prevent any Withdrawal payments. After 30 days we will prevent you from making any further Payments. If your identity is not verified within 60 days of the opening of your Account, we may close your Account and return any funds to the bank account from which they were received.
- 1.3.10. We will confirm when we have accepted your Application and acknowledge the details of any Vanguard Funds which you have asked us to buy.
- 1.3.11. If we accept your Application for a Pension Account you will become a Member of the Scheme.
- 1.4. Making investments, Payments and Contributions**
- 1.4.1. As with every financial product, the Vanguard Funds carry certain risks which are specific to OEICs, Unit Trusts, Recognised Funds and ETFs. You should make sure that you understand these risks before investing any cash in your Account. The documentation provided on our website (including the Key Features Document relevant to your Product, the important disclosures in the Legal Information page, and the Key Investor Information Document and prospectus relating to each Vanguard Fund) contains important information about the risks associated with the Vanguard Funds. We recommend that you read this information carefully before deciding to invest.
- 1.4.2. You can make one-off (lump sum) Payments or Contributions to your Account and / or invest monthly through a Regular Savings Plan. Minimum amounts may apply, please refer to the relevant Product Key Features Document and the Platform for further details. You can make Payments or Contributions using a debit card from a UK Bank account, or (if you set up a Regular Savings Plan) by direct debit. You can also make Payments by direct credit transfer from a UK Bank account.
- 1.4.3. Subject to acceptance, we will process your investment instructions to invest any Payment or Contribution as soon as we can. This should be on the same day if it is a Business Day, provided we receive your investment instructions and Cleared Payment before the applicable dealing cut-off time for the relevant Vanguard Fund; otherwise the deal will be processed on the next Business Day.
- All orders are placed through Vanguard affiliates and brokers, as described in the summary of our Order Execution Policy set out in Appendix 2.
- 1.4.4. We will not complete your investment order(s) before we receive payment in full from you. Payments or Contributions made by direct credit transfer may not be received by us as cleared funds for up to two Business Days. If your credit transfer does not arrive as one lump sum we will not be able to fulfil related investment orders and the money will remain as cash. If we do not receive your payment within seven Business Days, we will treat your investment instructions as cancelled.
- 1.4.5. We will send you a confirmation when your order has been completed, containing full details of the transaction executed for you. This will be sent to your Account mailbox no later than the first Business Day following the transaction (or, if applicable, no later than the first Business Day following our receipt of the transaction confirmation from any broker or other relevant third party).
- 1.4.6. We will aggregate your orders with those of other clients in accordance with our Order Execution Policy set out in Appendix 2. The aggregation of orders between clients is the process of adding together trade orders to purchase or sell the same security as one large bulk order. In the event where we carry out such bulk orders, these will be disaggregated and then distributed to you based on your individual order. There may be instances where, as a result of aggregation and/or the disaggregation, amounts you receive may require rounding in accordance with the relevant Vanguard Fund prospectus. This is because we may not be able to allocate units to exact amounts pro rata between clients. Rounding may result in a minor loss or gain to your holdings or amount invested/received, so on occasions you may be disadvantaged in relation to a particular order. Any residual cash balance that cannot be allocated to clients within an aggregated order will be retained by Vanguard.
- 1.4.7. If you set up a Regular Savings Plan to make regular Payments or Contributions (as applicable to your Product):
- you may choose the date on which we will collect your payment each month (from the available options offered), but note that your payment will be collected on the next Business Day if the normal monthly collection date is not a Business Day;
 - we place the order to invest your Payment or Contribution on the Business Day we collect it; and
 - we will not pay interest on your Payment or Contribution before it is invested.

1.4.8. With a Regular Savings Plan, you can adjust or stop your Payments or Contributions at any time via your online Account. We will continue to collect your payments until you change the instructions on your Account. You must make any change at least 8 (eight) Business Days before the next scheduled payment date if you want the change to take effect from then.

1.4.9. If we are unable to collect your Payment under a Regular Savings Plan to your ISA or General Account for three successive months, we will cancel it. We will contact you if we cancel your Regular Savings Plan and in such an event you will need to set up another Regular Savings Plan if you want to continue to contribute regularly. We will also contact you if we are unable to collect your Contribution under a Regular Savings Plan to your Pension Account at any time, we will cancel your Regular Savings Plan. We will also cancel, without notice, your Regular Savings Plan with respect to your ISA where you have reached your maximum savings limit for the relevant tax year. We reserve the right to deduct any shortfall from your Account resulting from us not being able to collect the sum under a Regular Saving Plan or as a result of your bank recalling any amounts. For a Pension Account we will deduct the shortfall immediately, for an ISA or General Account you will initially be given 8 days in which to cover any shortfall by means of a debit card payment before a deduction is made. In addition, we can stop your Regular Savings Plan by giving you a minimum of one month's notice in writing, although we will always try to give more notice, where reasonably practicable. Where we have given you such notice, we will assist you to transfer your Vanguard Funds to another provider without charging you a fee, if you would like to do so.

1.5. Transferring existing investments to Vanguard

1.5.1. You may be able to Transfer existing investments you may hold in Vanguard Funds through another account provider to your Product(s). You can request that all of the Shares are Transferred directly to your Product(s) without first having to sell them for Transfer as cash. Please go to www.vanguardinvestor.co.uk for the current list of Vanguard Funds supported on our Platform. For ISA and Pension transfers, see also clause 12.3 and 20.1 respectively.

1.5.2. If your existing Vanguard Funds can be transferred directly from your existing account provider, we will arrange for the Shares to be transferred into the name of our Nominee, which will hold them on your behalf. If direct transfer of your Vanguard Funds is not possible, they will stay with your existing provider.

1.6. Right to cancel your Account

1.6.1. Pension Account

The cancellation amount will be equal to the value of any Payments made prior to the cancellation or value of your investments at the time Vanguard sells them, whichever is lower. Any applicable charges will apply until your Account is closed, and will not be refunded.

2 Managing your Account

2.1. Cash

- 2.1.1. The Trustee will hold Contributions paid, and cash Transfers made, into your Vanguard Personal Pension in one or more pooled Scheme accounts with one or more authorised banks in the Trustee's name and in accordance with the Scheme Rules and Applicable Regulation. Any cash held by the Trustee will be protected by being held on trust and not as client money. You have the right to request a statement of the cash held on your behalf at any time.
- 2.1.2. If we receive a Contribution payment and we are not provided sufficient information to identify that this is intended to be for your benefit then this may be returned to the payer.
- 2.1.3. For ISA and General Accounts, all cash held by us for you under these Terms will be held as client money when required under the FCA Rules. You have the right to request a statement of the cash held on your behalf at any time.
- 2.1.4. We will deposit any cash held as client money you pay us in one or more trust accounts with one or more authorised banks. It will be pooled together with the money of other investors. It will be held in Vanguard's name but separately from any account used to hold Vanguard's own money.
- 2.1.5. We will not be responsible for any actions, omissions, default or failure of a bank unless we breach the FCA Rules or fail to take reasonable care in the selection, appointment or monitoring of the bank we choose to hold your client money.
- 2.1.6. If a bank becomes insolvent, we, or in the case of the Vanguard Personal Pension, the Trustee, will be a creditor and will claim against them on your behalf. If a bank cannot repay all of its creditors, you may have to share any loss.
- 2.1.7. Cash balances held on your behalf may earn interest at the rates set out [here](#). The rates are determined by reference to the interest we receive from the bank(s) we deposit your money with and the cost to us of managing cash within your Account. When payable, interest is earned daily and normally paid into your Account on the first Business Day of each month.

2.1.8. In certain circumstances we may for your ISA and General Account, pending receipt of assets, hold cash of equivalent value on your behalf. This cash will be held in a client money account, separate from Vanguard money. If Vanguard became insolvent you might have a claim to this cash in addition to the assets we safeguard on your behalf. Any cash in your Pension Account will be protected by being held on trust and not as client or Vanguard money.

2.1.9. In the unlikely event of our insolvency, you agree that we may, subject to the FCA Rules and other applicable regulatory requirements, transfer your client money to another firm to hold on your behalf. We would only do this where certain conditions are met to protect your interests, and you would have the option to have your money returned to you, following notice by you to the new provider. If all assets held by us are transferred following our insolvency, different regulations apply and a transfer may, in some circumstances, take place under those regulations without your consent.

2.1.10. Any Vanguard Fund and/or cash in your Vanguard Personal Pension will be protected by being held on trust by the Trustee in accordance with the Scheme Rules.

2.1.11. In all other cases, subject to applicable law, in certain circumstances following the insolvency of Vanguard, an appointed insolvency administrator may be entitled to utilise both your assets and/or your client money to cover the costs of the insolvency. You may be entitled to compensation from the FSCS up to the prescribed limits in the event that there is a shortfall in either your assets or your client money resulting from such action.

2.2 Your Vanguard Funds

2.2.2.1. for a Pension Account, in the name of our Trustee; and

2.2.2.2. for an ISA or General Account, in the name of our Nominee.

2.2.3. We will be responsible for the actions and any omissions of the Nominee and the Trustee, as applicable. Investments held by our Nominee for you under these Terms will be held as client assets in accordance with the FCA Rules.

Investments held by the Trustee for you under these Terms will be held in trust in accordance with the Scheme Rules.

- 2.2.4. Investments registered in the name of the Trustee are held in a Scheme account with those of Members, on your behalf. This means you are still the beneficiary of your Vanguard Funds held in your Vanguard Personal Pension. Your investments will not be separately identifiable from those of other Members, but we will keep a separate and up to date record of your individual entitlement as a Member. However, in the event of our insolvency and a shortfall in the pooled account at the Trustee, you would share pro rata with other Members in the amount of the shortfall.
- 2.2.5. Investments registered in the name of the Nominee are held in an account with those of others, on your behalf. This means you are still the beneficial owner of your Vanguard Funds and you will have a claim over them even if we and/or the Nominee become insolvent. Your investments will not be separately identifiable from those of other investors, but we will keep a separate and up to date record of your individual entitlement. However, in the event of our insolvency and a shortfall in the pooled account at the Nominee, you would share pro rata with other investors in the amount of the shortfall.
- 2.2.6. You have the right to request a statement of the Vanguard Funds held on your behalf at any time. We have procedures in place to carry out checks and identify any shortfall in your investments, which we will correct if we are responsible for it.

2.3. Income from your Vanguard Funds in an ISA or General Account

- 2.3.1. The following provisions of this clause 2.3 are not applicable to a Pension Account.
- 2.3.2. You can choose to have any income from your Vanguard Funds in your ISA or General Account paid out to you. We will make income payments by direct transfer to your bank or building society. Unless you choose the income payment option, we will invest your money in the accumulation share class of the selected Vanguard Funds. It can take up to 10 Business Days to process dividend income from Vanguard Funds.
- 2.3.3. If, for any reason, we are not able to pay that income to you (for example because the payment to your bank or building society is returned), we will notify you and seek your instructions. If we do not receive your instructions, we will credit the income to your ISA or General Account as cash.

- 2.3.4. If you change your mind and no longer want us to pay income out to you, you can switch into the accumulation share class.
- 2.3.5. Vanguard Funds have set periods of time that are used for calculating income payments. When you buy Shares part way through one of these periods, part of your first income payment will be an equalisation payment. This is treated differently for tax purposes compared to a normal income payment. For investments that you make through us, we add up all of the equalisation payments for Shares of the same type in the same investment, and pay (or reinvest) the average equalisation for each of the individual Shares that were bought in the relevant period.
- 2.3.6. Fractional entitlements arising from income receipts or other corporate events in respect of your Vanguard Funds or where pooled client balances are held by the Nominee may be rounded down when allocated to you. Any residual balance due to this rounding process will be retained by us.

These Terms represent the entire agreement between you and Vanguard and will be governed by and construed in accordance with English law. You and Vanguard submit to the exclusive jurisdiction of the English courts to settle any disputes arising under these Terms.

Neither Vanguard nor you intend any provision of these Terms to be enforceable by any person other than ourselves or our respective permitted successors or assignees. If any provision in these Terms is held or made unlawful, void or for any other reason unenforceable by a court, statute, regulation or otherwise, the remainder of these Terms will not be affected.

ISA Terms

Clauses 12 to 15 apply additionally if you invest through an ISA.

12 Opening your ISA

12.1. ISA manager

Your ISA is managed by Vanguard Asset Management, Limited. We are entitled to delegate our obligations as ISA manager. If we decide to do so we will first satisfy ourselves that any person to whom we delegate such functions or responsibilities is competent and authorised to carry them out.

12.2. Vanguard Funds and your ISA

12.2.1. The Vanguard Funds held in your ISA will be registered in the name of our Nominee. Documents evidencing ownership of Vanguard Funds will be held by us or as we may direct.

12.2.2. The Vanguard Funds held in your ISA will be, and must remain, beneficially owned by you, or, in the case of a Junior ISA, by the child for whom it has been opened. The ISA investments cannot be used as security for a loan.

12.3. ISA transfers

12.3.1. You can request to Transfer your existing ISA to us, and clause 1.5 will apply. ISA Transfers may include the value of units or shares which you hold in non-Vanguard funds, but these must be sold for Transfer to your Vanguard ISA as cash. An ISA opened during the current Year must be transferred in full, and a Junior ISA must always be fully transferred. If you Transfer more than one ISA from previous Years to us, we will place all previous Years' ISA holdings in a single ISA. This means that you will not be able to distinguish between your holdings from previous Years in reports or when viewing holdings.

12.3.2. We will process your ISA Transfer Out no later than 30 business days following the receipt of a validated instruction to do so.

12.3.3. You may ask us to Transfer Out your ISA to another ISA manager, and clause 3.4 will apply. We will collect any money due to us from the Transfer Out amount. If you Transfer Out all of the Vanguard Funds in your ISA to another ISA manager, we will not re-open it for replacement subscriptions during the same

Year. Any replacement subscriptions should be made prior to the Transfer Out.

13 Managing your ISA

13.1. Income from your ISA

13.1.2. If you close your ISA with us, you may still be eligible for income or reclaimed tax from the period in which you held your ISA. We will, as long as it is allowed under the ISA Regulations, pay out income or reclaimed tax to your bank or building society at a date we choose. In accordance with the strict requirements set out in the FCA Rules, we will take reasonable steps to pay all amounts to you. If we are unsuccessful in contacting you and paying you the balance we may be entitled to donate the amount to charity.

14 Making withdrawals from your ISA

You can make withdrawals in accordance with clauses 3.2 and 3.3, but withdrawals from a Junior ISA are not generally permitted. The Vanguard ISA operates as a "flexible" ISA under HMRC rules, meaning that certain withdrawals that you make may be paid back in during the same Year without counting towards the annual limit. The following do not count as flexible withdrawals and so will count towards the annual limit for the current Year if paid back into the ISA: amounts withdrawn to pay our Charges, amounts removed on the instructions of HMRC, and amounts transferred to another ISA manager.

We will close your ISA without giving you notice if we have to for legal reasons. This includes if your ISA has lost or will lose its tax-efficient status.

15.1.2. Your ISA will be closed in accordance with the terms of clause 5.3. Once your ISA is closed, we will not re-open it for replacement subscriptions during the current Year. Any replacement subscriptions should be made prior to closure.

15.2. If your ISA loses its tax-efficient status

We manage your ISA in line with the ISA Regulations. If your ISA has, or will become, no longer eligible to the tax benefits under the ISA Regulations, we must 'void' it, in which case we will close your ISA and notify you.

15.3. When a child turns 18

When a child beneficiary for whom you have opened a Junior ISA reaches the age of 18, we will automatically convert the Junior ISA into an ISA in the beneficiary's own name.

The child's identity will be verified in accordance with clause 1.3.

15.4. If you die

15.4.1. If you die, we will continue to rely on these Terms.

15.4.2. After we have received notification of your death, any income we receive will be held as cash. Further information, including eligibility requirements and conditions specific to such a transfer and maintenance of the Product will be sent when we are notified of your death.

We will treat crystallised and uncrystallised parts as separate arrangements within your Vanguard Personal Pension.
- 21.8. We will make the settlement of your Benefits initially from any available cash held in the crystallised arrangement(s) of your Vanguard Personal Pension and thereafter as instructed by you, we will automatically disinvest on your behalf. If we need to do this we will sell across your investments on a proportionate basis. This will have the effect of reducing the value of your investments and may result in small cash balances in your crystallised arrangement within your Vanguard Personal Pension. We will inform you if we need to do this.
- 21.9. Payment of your income will cease when you have exhausted the assets (including cash) in your Vanguard Personal Pension if there is insufficient cash holdings to pay your Benefits.

Charges

You will pay the charges described below in respect of each Account which you open. You will receive indicative details of the charges applicable to the Account and any investments you make particular Vanguard Fund prior to your investment. Within your annual statement we will provide you with a breakdown of the actual costs and related charges incurred by you in respect for each of the Vanguard Fund(s) that you invest for that period. At least once a year, we will review our assumptions and our overall cost in providing the Vanguard personal investor service and may change our charges as a result. We will give you prior written notice in accordance with clause 10 before any changes to our charges become effective. Current costs and charges associated with your Account can be found on our website at www.vanguardinvestor.co.uk/content/documents/legal/vanguard-full-fund-costs-and-charges.pdf. Please contact us if you have any questions.

Fund charges

These are set by Vanguard and apply at the level of the particular Vanguard Fund(s) in which you invest.

The ongoing charges figure (OCF) is expressed as an annual percentage of the value of a fund, and includes Vanguard's charge for managing the fund and its assets as well as administrative expenses such as the fees of the independent custodian and of the registrar, and audit and regulatory expenses. Please refer to the specific Key Investor Information Document (KIID) for details of the OCF applicable to a fund which you choose.

In addition, the funds incur transaction costs (including when buying and selling underlying investments) and other incidental costs. These costs are included in the unit price of the relevant fund.

Vanguard Account fee

This is what you pay in return for the provision of Account services. These services include the fund dealing facility (which involves aggregating investors' orders to make bulk trades), the recording of transactions and holdings, the safeguarding of your investments by our Nominee or the Trustee (as relevant), and other ancillary services. These comprise certain online services as well as the provision of access to our personal investor service representatives.

The Account fee is an annual charge which we accrue daily and deduct proportionately in arrears on a quarterly basis commencing three months after the date of your first investment. The amount which you pay is based on the overall value of your Account, including any cash held. The rate of charge is 0.15% per annum of the value of your account holdings up to £250,000, such that the maximum annual charge is £375.

You have the option, when you open your Account or at any later time, to arrange payment of your Account fee by direct debit from your nominated bank account. Alternatively, we will deduct the fee from available cash and, failing that, by selling Shares from fund holdings, starting with the largest holding by value, within your Account. This prioritises collection of charges from your General Account should you have one.

ETF Transaction fees

If you buy or sell an ETF through our optional quote and deal service, we will deduct a fixed charge of £7.50 to cover the fee of our nominated stockbroker. This charge will be debited from your Account on the day that the order is placed.

If you request payment to you via CHAPS, you will be charged at the rate of £25 per payment.

Interest charge

We do not charge a service fee for holding your cash. However, we will retain an amount of the interest received from the bank(s) we deposit your money with to cover our costs of administering it. Further information on the applicable interest rates can be found [here](#).

Current costs and charges associated with your Account and Product(s) therein can be found on our website at www.vanguardinvestor.co.uk/content/documents/legal/vanguard-full-fund-costs-and-charges.pdf. We will let you know if this changes in the future.

Appendix 2

Summary Order Execution Policy

The purpose of this policy is to set out Vanguard's approach to providing best execution when it places your trades with a third party for execution. The implementation of this policy will ensure that Vanguard obtains the best possible result for you when dealing in financial instruments.

This policy applies when Vanguard places an order for execution of a financial instrument with a third party. Where specific instructions are received from clients, this Policy will not apply. Vanguard reserves the right to refuse specific instructions.

The financial instruments covered by this policy are shares in UK open-ended investment companies (OEICs), units in authorised unit trusts, shares in Recognised Funds, and shares in Exchange Traded Funds (ETFs), in all cases operated by Vanguard Group companies.

When placing an order with a third party for execution, Vanguard owes a duty of best execution to you, the client. This means that Vanguard will take all sufficient steps to achieve the best possible result for you. We will initially seek to obtain the best result by way of total consideration, being price and associated execution costs.

Vanguard may take into account the following factors when it places an order for you: price; liquidity of the market; costs of the transaction; the likelihood of execution and settlement; the need for timely execution; size of the order; nature of the financial transaction; and any other consideration relevant to the execution of the order.

Vanguard will also take into account the characteristics of the client; the transaction; financial instruments that are the subject of that transaction; and the brokers or execution venues available.

OEICs, Unit Trusts and Recognised Funds

Vanguard executes all trades in these financial instruments with the relevant transfer agent. Shares and units are normally available to buy and sell at only one price and from one venue, usually the relevant fund provider company itself.

Exchange Traded Funds

Vanguard places orders to buy or sell shares in ETFs with a third party for execution. Vanguard currently uses the services of Winterflood Business Services (WBS). WBS in turn executes the deal in accordance with its own order execution policy. WBS will utilise a retail service provider system to execute ETF trades placed by Vanguard. Vanguard expects WBS to obtain execution results that are at least as good as those that could reasonably be obtained from alternative stockbrokers.

Exceptions

Due to factors which are unavoidable or beyond Vanguard's reasonable control, Vanguard may from time to time execute orders in a manner that differs from the normal process contemplated by this policy. If this happens, Vanguard will still endeavour to deal with orders on the best terms available in the circumstances.

Appendix 3

Summary Conflicts of Interest Policy

Introduction

The Vanguard Group is a global organisation which provides a range of different financial services. From time to time, there is a possibility that we (or another member of the Vanguard Group, or a partner firm with whom we have a business relationship (an "associate")) may have interests which conflict with our clients' interests, or with the duties that we owe to our clients.

These include:

- conflicts arising between our interests, our associates' interests and our employees' interests, on the one hand, and the interests of our clients, on the other; and
- conflicts between different clients themselves.

We have established procedures and implemented a policy designed to identify, and either to manage or, where possible, prevent such conflicts.

Our procedures include: systems and controls to ensure that different parts of our business operate sufficiently independently of each other; restrictions which are imposed on staff in relation to gifts and entertainment and personal dealing in securities; and a policy on remuneration to ensure that we do not inappropriately incentivise our directors and employees.

Identification and management or prevention of conflicts

We also keep a register listing all the types of conflict which we have identified as a risk for our business and customers, and detailing the controls to prevent or manage them to ensure there is no risk of damage to our clients' interests.

A key part of our policy involves making sure that persons engaged in different business activities involving a conflict of interest carry on those activities separately from one another and without sharing information. In exceptional circumstances, our procedures and controls may not be sufficient to ensure that a potential conflict of interest does not damage a client's interests and it may not be possible to prevent the conflict from arising altogether.

In such exceptional circumstances, we may be obliged:

to inform affected clients of the potential conflict, providing full details of it to allow the client to form their own view of its significance for them. We will seek formal consent to proceed in those circumstances; or

- to inform affected clients that we cannot act because there remains an unacceptable risk of damage to their interests.
- If you have further questions about our conflicts of interests procedures, you may request further information using the contact details provided in the Terms.

You can also call us on 0800 5870460 (Please refer to our website for details of our opening hours).
